'Education is the passport to the future, for tomorrow belongs to those who prepare for it today. As we get ready to wind up Term -1, I am reminded of the wise words of Aristotle, 'We are what we repeatedly do. Excellence, then, is not an act, but a habit.' We are committed to fostering a culture of excellence, where every student can grow, learn, and thrive. Our dedicated team of teachers and staff are ready to inspire and guide you every step of the way. To our students, I say, 'Believe you can and you're halfway there. Have faith in yourself, your abilities, and your potential. To our parents, I say, 'The greatest gift you can give your children is your time. We appreciate your continued support and partnership in your child's educational journey. Let us contribute in their socio-emotional development by encouraging them to participate with full zeal and enthusiasm in all festivals and celebration.

I extend my heartiest wishes for Independence Day, Raksha Bandhan & Janmashtmi.

The warm gesture of love, respect and gratitude filled the hearts of respected **Chairperson Dr. (Mrs) S.D.Malik Ma'am**, **Honorable Principal Dr. Mahima Ma'am** and Worthy Teachers with spark in their eyes, smiles on their faces and happiness in their hearts. Guru Purnima is a very auspicious religious celebration which is observed to honour the academic and spiritual gurus. This festival is celebrated to recognise Gautam Buddha's first sermon to the first five disciples in Sarnath, Uttar Pradesh. Later, the Jains and Hindus started observing this day to pay respect to their teachers. Guru Purnima serves as a reminder of the eternal value of education and study, as the esteemed Gurus who freely share their expertise with the world. According to Guru Purnima tradition, teachers elevate the level of their students to the next level and eliminate the ignorance of their lives. It is a celebration of wisdom and information that teaches the possession and sharing promoting the exchange of knowledge as the sole means of achieving transcendence. Guru Purnima is an excellent occasion honouring our instructors. Teachers in our lives could be anyone from a range of products like our parents to our academic mentors or even older siblings.

Felicitation of RPM UDAAN WINNERS by Respected School Director- Dr. Mahima Mam

The school through a rich activity based curriculum encourages learning while doing. For a child, play is the most joyful experience and therefore sports form an integral part of the school routine. Besides this, physical activities promote both physical and mental well-being, which is the need of the hour. Happiness is contagious, therefore always aspire to be happy and hearty no matter what life brings. Doing this will provide clarity of goals, direction for the future and preparing for upcoming opportunities. Enjoy as you learn and work to create memories for life time to cherish.

I extend my wishes to the entire school fraternity on the upcoming festivals. May these festivals add more colours to your life.
