

From The Chairperson's Desk....

Dr. (Mrs.) S.D. Malik
Chairperson
Lovely Group of Schools

*Success is not final,
Failure is not fatal,
It is the courage
to continue that counts.....*

The School propels to impart the education where the students can excel holistically without any stress. We are catering the students to develop the skills to become self-reliant, realistic, diligent and responsible. We focus on distinct style of learning skills by adapting life skills and new age skills to make learning permanent and full of fun. We are using innovative methods to make every student emotionally, psychologically, physically, academically and spiritually strong so that they can excel in every walk of life. We believe that every learner is unique and special and they all have some or the other ability to learn and excel.

May all my students flourish with every passing day. Wish you all good luck.

From the Director's desk

Dr. Mahima Malik
(Director)

**Education is not
preparation of life;
It is life itself.**

Life poses innumerable challenges and the goal of education is to help one to successfully brave through the rough seas of struggle. In the modern concept of schooling, teaching has become redundant, paving way for facilitation of learning through knowledge sharing. The school strives to inculcate the moral values, manners, responsibilities among students. Students here are encouraged to dream, and groomed to their dreams.

As Swami Vivekananda said, "Take up one idea. Make that one idea your life – think of it, dream of it, and live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success."

**"Together we can and
we will broaden their horizons."**

MR. SATYAM

ADMINISTRATIVE OFFICER

It gives me immense pleasure to be a part of a school, where students are nurtured, challenged, educated and given every opportunity to reach their full potential. It's a place, where unwavering belief in each child's potential allows him/ her to grow personally, socially and academically together with values and training for life. I believe that every student is special and blessed, all one requires is handholding and support to become global citizens, equipped with a vast set of life skills to pursue their passion and make this world a better place to live in!

I also acknowledge the school - home partnership for making our children shine bright in all areas.

**Kids cooking is not just about ingredient and recipes
It's about harnessing, imagination, empowerment and creativity.**

Inter Branch cold cooking competition was held on 17 July 2021 via zoom. Children from different branches participated with great zeal and excitement. All the children beautifully laid down the tables, ingredients and tableware. The little Master Chefs, wearing chef caps, gloves and aprons geared up to show their creativity on different dishes assigned to them. Winners were judged on basis of their presentation, creativity, hygiene, decoration and time limit.

**Congratulations for preparing
scrumptious recipes.**

SHOW AND TELL ACTIVITY

Enriching English speaking skills and expressions.

Show and tell is the practice of showing something to an audience and describing it to them, usually a toy or other children's-oriented item. The school virtually organised the show & tell activity to enhance the speaking and presentation skills, confidence and vocabulary of the children. They showed and described different objects in an enthusiastic manner. It was a great learning experience for little ones, who thoroughly enjoyed the activity.

Nurturing Passion Towards Perfection...

FORGIVENESS DAY

"Let your wings of forgiveness flutter and take you into a garden, where the flowers of peace blossom."

Forgiveness brings a kind of peace that helps you go on with life. To make the students understand the importance of Forgive & Forget, Forgiveness day was celebrated via Zoom app on 7th July, 2021. The teachers explained the importance of forgiveness day and conducted a card making activity. The bright splash of colours on paper symbolised the spirit and enthusiasm of the students as they showcased their creativity while making cards.

WORLD PARENTS DAY

The love between the PARENT and their CHILDREN is always and forever.

Parents have the primary responsibility of nurturing the children in an atmosphere of happiness, love and understanding. Parents provide mental, emotional and financial stability to their children. To recognize the valuable role of parents in nurturing and protecting the children, World Parents Day was celebrated virtually in the school on 25th July, 2021. Card making activity was organized for students. All the students showed their love through beautiful cards. Students shared their videos while dancing with their parents and expressed their feelings through beautiful poems. All the students participated whole heartedly and enthusiastically.

EID ACTIVITY

Festivals are perceived as important part of education as they can help to create a sense of national or cultural community among the students. Celebrations of festivals bring students closer to traditional belief.

Eid-ul-adhawas celebrated on a virtual platform. The purpose was to enlighten the students about the spirit of festival, spreading the message of love and brotherhood in the young minds.

Teachers discussed about the importance of this festival that Eid is a time to share happiness. The students were involved in card making activity based on the theme of Eid in which they also learnt to draw and colour the moon and stars. Our little lovelites greeted each other 'EID Mubarak' with love and affection.

Both teachers and children enjoyed the Eid celebration wholeheartedly.

World Population Day is celebrated on July 11 every year and is devoted to focus on the urgency and importance of population issues. Our teachers too made lovelites aware of about the importance of keeping the population under control. Lovelites did various activities such as essay writing, poster making etc. It is very easy to add on the numbers but the hard task is to maintain it all. Take a stand and stop the over population of the earth.

ALPHABET ACTIVITY

It's amazing how 26 little letters are all you need to make thousands of words in the English language. Through this activity children recognised alphabet and its phonic sound. Children had fun practicing building uppercase letters using crafts sticks as it enhanced thinking skills and creativity. They enjoyed this activity so much.

LEMONADE ACTIVITY

With the onset of summers, it is essential to refresh and replenish our body with some cool beverages to beat the heat. The students of Nur - 2 engaged their day with refreshing lemonade making activity. Children participated with great enthusiasm and zeal. Students were introduced to a range of basic cooking skills like mixing, squeezing of lemon. It was good to see the students turning into little chefs. The activity gave our young learners a hands on experience of making a glass of lemonade and they relished every sip of it.

Meet and Greet Sessions - Grade Nur to V

Learning together even when we are apart....

With the blessings of respected Founder Chairman Dr. R.P.Malik and the guidance of honourable Chairperson Dr. S.D.Malik - the school organised Meet and Greet Sessions for the parents and students in the month of July. The session aimed at strengthening the school- home partnership. The school also extended gratitude to the parents for their productive collaboration. Going with the tradition of the school, the session commenced by remembering God, followed by laughter exercises. As education pattern has transformed from physical classrooms to virtual classrooms, guidelines were also shared with the parents for the smooth sailing of the session. Parents also took guidance from Respected mam Dr. (Mrs. S.D. Malik Mam's motivational videos and the books published under her guidance. Parents deeply appreciated this initiative taken by the school and cherished the interaction with the School Director - Dr. Mahima Malik, Academic Head -Ms. Sunita Dhingra and the teachers.

SHINNING STARS OF THE MONTH

STAR ORATORS- BEST PERFORMERS

Learning is not confined within the four walls of the classroom. The curriculum at LPIS has stood up to this by conducting activities for overall personality grooming of children via virtual platform also. In order to enhance vocabulary, oratory, linguistic, logical reasoning and problem solving skills, the school organises monthly activities like Star Orator, RPM Declamation, Spell bee, Grammar Hunt and Aptitude test. The successful execution by the school and active participation of children has proved that learning can be achieved anywhere if you have the will to learn.
